WHAT IS WRONG?
 Many Ask People in Astoria Are Asking That Question of Late.
 Within the last few weeks, more people than usual have complained of frequent sneezing fits, tickling in the throat, stoppage in the nose, spasms of coughing, raising of mucus, droppings in the throat and offensive breath, and have asked themselves what is the matter.
 The trouble is that they are affected with catarrh and unless immediate steps are taken to remedy their condition, the disease will increase and spread through the delicate mucous membrane that lines the air passages, and a chronic and serious stage of the disease will result.
 At the first symptoms of catarrh, Hyomei should be used. There is no other treatment like it or just as good; none than can take its place and cure so surely, so quickly and at so little cost. It is a scientific medicated air treatment that does not drug and derange the stomach, but is breathed in, directly destroying all disease germs that may lurk in the nose, throat and lungs and soothing and healing the irritated mucous membrane.
 T. F. Laurin, the local agent for Hyomei, has so much confidence in the merits of the remedy that he offers it on trial to any catarrhal sufferer with the agreement to refund the purchase price of \$1.00 for the complete outfit to anyone who is not satisfied with the results. You certainly can afford to test Hyomei with an offer like this. Get it now and be cured of catarrh.

CURRENCY PAYMENT
Importations of Gold Relieving Financial Stringency.
BANKS RESUME GOLD PAYMENT
 Currency Premium Almost at an End—Issuance of Treasury Certificates Relieves Banks—People Putting Money Into Stocks and Business Generally.
 NEW YORK, Nov. 25.—That the banks of New York and throughout the country will soon resume payments in currency is the opinion expressed by men prominent in the financial world. The issuance of \$100,000,000 in treasury certificates of indebtedness was by most made the basis for this statement. The banks, it is said, are enabled because of the enormous importations of gold to take up most of this, and thereby increase the bank note circulation.
 It is said several millions in currency will be released by New York banks for loans today and the call rate will fall to normal is expected. Bankers are of the opinion that the currency premium which has already fallen from four per cent to 1 1/2 per cent will within a very short time disappear.
 Frank A. Vanderlip, vice president of the National City Bank, said: "I do not anticipate that the currency premium will last much longer; I believe there will be an abundance of currency in a very short time. In fact, I am confident that in the near future we shall have more currency than we will know what to do with. The issuing of those treasury certificates has been the final link in the chain of events which have brought about an end of the crisis."
 "The National City Bank has already arranged for \$2,000,000 of the new issue of treasury certificates, and this will increase circulation at least \$1,900,000 during the coming week. Other banks will doubtless take advantage of the banking house of J. P. Morgan and Company, said:
 "I do not believe there will be any premium on money in a few days. The people who have been holding their money for a large premium will probably find that they have held it too long. Where, ten days ago, the premium was four per cent, it was only 1 1/2 per cent Saturday. The rapid diminishing of the money premium is one of the most encouraging things which the banking interests have seen since the trouble started. The general situation has greatly improved."
 Bankers also state that they do not believe there will be any further extensive engagements of gold abroad. Since the financial difficulty began \$81,225,000 in gold has been secured abroad. By far the larger part of this gold has already reached New York.
 During the flurry, it is estimated \$125,000,000 has been withdrawn from the banks in New York and the total withdrawal throughout the country is estimated at \$35,000,000. Clearing house certificates are in use in 23 cities of over 100,000 population, the amount of these certificates outstanding in New York City being \$75,000,000.

NATURE'S WARNING.
Astoria People Must Recognize and Heed It.
 Kidney ills come quickly—mysteriously.
 But nature always warns you. Notice the kidney secretions. See if the color is unhealthy—If there are settlements and sediment, Passages frequent, scanty, painful. It's time then to use Doan's Kidney Pills.
 To ward off Bright's Disease or diabetes.
 Doan's have done great work in Astoria.
 Theodore Josephson, 515 Seventh street, Astoria, Oregon, says: "About five years ago I used Doan's Kidney Pills and derived great benefit. I was suffering from severe pains across my back and my loins and at times so severe that I was unable to stoop or straighten. My kidneys also bothered me a great deal, as the secretions were generally too free in passing. At last Doan's Kidney Pills were brought to my attention and I procured a box at Rogers' drug store. I began using them and my health is now excellent. I take a few doses of Doan's Kidney Pills now and then, when feeling any sign of backache and they never fail to banish the trouble."
 Plenty more proof like this from Astoria people. Call at Chas. Rogers' drug store and ask what his customers report.
 For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
 Remember the name—Doan's—and take no other.
 Watermelons and sweet corn grown in Alaska and Yukon will be exhibited at the Alaska-Yukon-Pacific Exposition in 1909. It was recently demonstrated that these two products can be grown to advantage in the Northland.

This is Worth Remembering.
 As no one is immune, every person should remember that Foley's Kidney Cure will cure any case of kidney or bladder trouble that is not beyond the reach of medicine. T. F. Laurin, Owl Drug Store.
